## HARTNELL COLLEGE

**Meet Your  
CANDIDATES!  
Attend  
11:40 Assembly**

Volume XXXIV

Salinas, California, Friday, September 25, 1964

Number 2

### A.S.B. VP

JOHN DeSERPA

It has come to my attention that there is a basic lack of interest in student affairs. To achieve a better school year, we must work to have a student body that takes an active part in all of Hartnell's school functions. One way to establish this interest is to give the Inter-Club Council (I.C.C.) a broader say in student government affairs. If elected I will work for the majority of the student body. My past history in student government, I feel, amply qualifies me for the Vice-President office. Finally, I strongly feel that this platform will best help to meet the needs of most, if not all of the students of Hartnell.

**BILL MOLMEN**  
I'm running for the office of Student Body Vice-President because I feel a genuine need for a freshman link in the chain of Student Body offices. I feel that though the freshman representative is a step in the right direction, our government needs more than one or two direct channels of communication with which freshmen can express their views. In the past few years I have been president of several organizations and an officer in several more. My experience as an American Field Service student to Turkey in the summer of 1963 gave me the ability to meet easily with people and to express my views to groups of all sizes.

### A.W.S. PRES.

JANET MAGNO

For those who know me, you are aware by now that I am not a quitter by any means. My first year's record at Hartnell demonstrates this. Indeed, I will not be this year either.

For the newcomers, I held offices in various clubs such as Art Club and Newman Club, committee chairman for the Winter Ball, attended both area six Conferences as a delegate. This year so far I am co-publicity officer for W.A.A.

This record, I feel, shows the desire I have to contribute to my fair share to Hartnell. But, I'm selfish. I want a bigger responsibility and I feel AWS is it.

For those who are not familiar with this organization, it consists of every woman member in the student body meeting together to bring a closer relationship between fellow students and our friendly foreign students. We do this by holding teas, parties, sports, etc. I would like this job, but it is up to you to vote.

Your vote is important not only to me but to any person you want to lead your school. Your student body card gives you this privilege, don't neglect it. VOTE!

## Nine Student Body Offices Open For Active Students

This fall there are a great many Student Body offices open, giving the students at Hartnell an ample opportunity to participate actively in their student government. The students we will listen to in the election assembly will be expected to devote a great deal of time and effort to each of their offices if they are elected.

The vice-president is expected to take the place of the president when necessary, be chief justice of the supreme court, parliamentarian and president of the Inter-Club Council.

It is the duty of the A.M.S. and A.W.S. presidents to organize and co-ordinate all activities associated with their respective organizations and to help the respective commissioners of athletics.

The commissioner of social activities is responsible for all social affairs sponsored by the A.S.B. and chairman of the social activities committee.

The commissioner of cultural activities is responsible for all cultural activities sponsored by the A.S.B. and chairman of the cultural activities committee.

The rallies and assemblies commissioner must plan, schedule, and supervise rallies and assemblies, subject to the approval of the commission and faculty adviser, and he is chairman of the rally committee.

The sophomore and freshman presidents are to represent the interests of their respective classes in all A.S.B. activities, organize class activities, and keep their classes informed about commission proceedings. The sophomore president is in charge of all business in connection with the C.J.C.S.G.A. Conference.

It is the duty of the freshman representative to assist the commissioner of rallies and assemblies and the freshman class president in the performance of their duties.

### A.M.S. PRES.

PHIL VASQUEZ

I have acquired a petition for the office of AMS president, because I feel that I am capable of holding such an office. I had the pleasure of being a member of pleasure of being a member of AMS last year and I attended all the meetings I could. I felt that there was not enough planning and organization at these meetings. I know that with my experience as senior class president of my high school graduating class of Gonzales High, I can make the AMS one of the strongest organizations at Hartnell. I know, if elected, I will represent all the men of Hartnell to the best of my ability. The office of AMS president needs a MAN, so vote for me.

### SOPH. PRES.

SAM DONAGHE

Last year when I ran for this office I felt an obligation to the Sophomore class and to the school. Both the Sophomore class and the school needed more active responsible leadership in student government. The office is now vacant, and I still feel an obligation to serve the Soph. Class and Hartnell College. I desired the office last semester and I hope to win in this election. Not for the title, not for any small glory which such an office might hold, but because I want only the chance to serve, to give the Sophomore class a representative voice in student commission and to provide active, responsible leadership for the Sophomore class. I ask that you give me that chance by voting for Sam Donaghe, Soph. Class president, this coming election.

JIM GILCHRIST

I attended Gonzales High School where I served as Freshman Class president, Sophomore Class vice president and on the Student Council for two years. I feel that I can accept the responsibility of heading the sophomore class and make it the respected upper class it should be on campus. My qualifications, plus my desire to serve my classmates, will help me to achieve a better school year for my classmates and our school through co-operation and hard work.

### FROSH REP.

STEVE SIEMERS

I would like the responsibility of freshman representative because I feel the representation of my class can be greatly improved. I would like to see the school spirit lifted, and the representation in school activities increased. This job will take many hours of hard

work, but if done properly it can be very rewarding. I believe I have the qualities necessary to fulfill the position. The qualifications are determination, responsibility, initiative, and perseverance. In closing, the greatest reward I could receive from this job would be the knowledge that I have satisfied the freshman class—my class.

### EDITORIAL

## Farce or Self-Govt.?

Today at 11:40 in the Men's Gym 13 students will be introduced to the student body. These students are candidates for the offices of vice-president, sophomore class president, freshman class president, freshman class representative, social activities chairman, A.M.S. and A.W.S. presidents, rallies and assemblies chairman. Some of the 13 candidates have been campaigning for about one week. Others threw their hat in the ring just minutes before publication. The important thing is these students are not merely talking about running for office, they're actually putting their name on the ballot. They're doing something. They're running for office.

They'll be nervous and knock-kneed when they deliver their campaign speeches today. But they'll derive moral support from you, their fellow students, their audience. And the experience gained will greatly benefit them.

But, what happened to the other 1361 students enrolled at this college? Weren't there enough interested students who were willing to devote a little of their time and energy to petition and campaign for office?

There are 13 candidates vying for eight offices. Five of these candidates are unopposed in their bid for office. What is the purpose of staging an election? Why campaign when there is no challenge?

Have our elections and student government become a farce? Are we really benefitting from the experience we can derive by meeting people, expressing our viewpoints, facing up to the challenges and responsibilities of participating in our campus activities? Or are we becoming so indifferent that we will not put ourselves out? Are we sitting back and quietly saying to ourselves—"Let George do it?"

## Commissioner of FROSH PRES. Rallies and Assemblies

DENNIS DEVEREUX

We need an increase in school spirit and in student participation. I know that I am qualified for the office of Commissioner of Rallies and Assemblies on the basis that I have the interest and the ability to create this spirit.

I need your support not only at the polls but, if elected, I need your full co-operation in the future.

### FROSH REP.

CAROLYN DAVIS

If I am elected to this post, I would act in the best wishes of the freshman class in coordination with the student body.

I feel I have the personal initiative and desire to cope with the responsibilities of this office.

Good governmental procedure is one of the most important activities that promotes a school. I would like to take an active part in learning more about our college and our effective procedures.

My qualifications for this office is an interest in the work and the time to do the job well. I feel that I could fulfill the needs and responsibilities of this office.

BRUCE MacDONALD

At present, the freshman class is a collection of individual schools under one roof at Hartnell—a condition that breeds

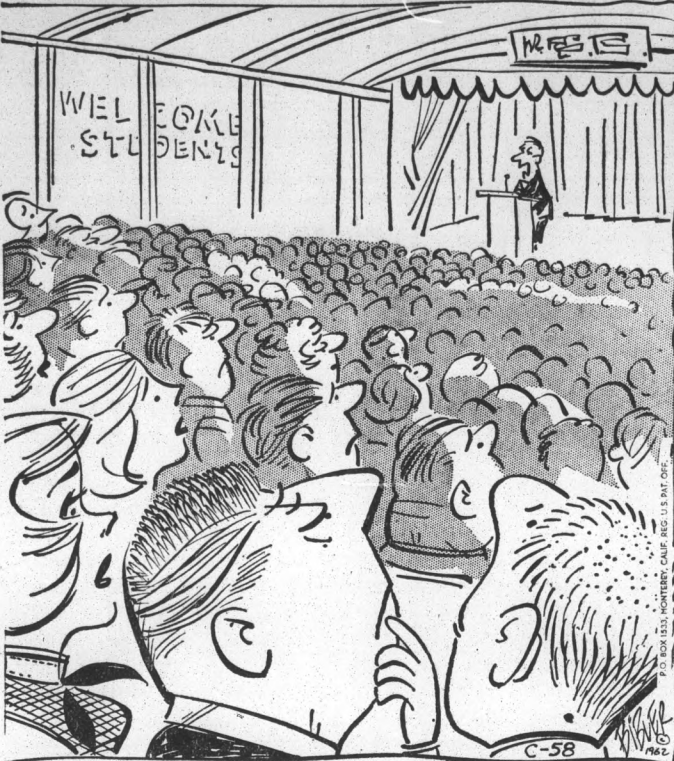

apathy. As your freshman class president, I will combine these individual schools into the united and dynamic class that we are capable of being. To achieve this goal of unity, I propose a greater number of better social events designed to spread the enthusiasm and spirit that Hartnell deserves. So that I may do the best possible job as your representative in Commission, I have attended the Commission meetings of this year, and I have studied the agendas of last year's Commission meetings. This has enabled me to pinpoint both the assets and deficiencies of Hartnell student government. This, plus my background in high school government, will enable me to give you the best possible, the most exciting freshman year. Elect me, Bruce MacDonald, your freshman class president.

**TIM KEARNEY**

In the past years I have served as vice president of the student body, president of the student court, president of the student senate and president of a 4-H club. Besides having the above experience, I also can offer a thorough knowledge of parliamentary procedure which will help my service to student government.

## LITTLE MAN ON CAMPUS

## League Feed; Women Invited

Women students who are interested in government are invited to a special program and luncheon at Capri Restaurant, 1297 North Main Street, Saturday, September 26. The \$1.85 luncheon will be served at noon with a program following at 1 p.m.

The luncheon is sponsored by the League of Women Voters, an organization which was founded to encourage informed citizen participation in government. The league functions through study of current issues on local, state, and national levels and making available to its members and the public information on government functions and issues of the day. After thorough study, the League may take a stand for or against a particular issue and work actively to promote that stand.

Virginia Nelson, Membership Chairman of the League of Women Voters of Salinas, in reference to President Johnson's proclamation of September 13 to 20 as National Women Voters Week, stated, "With this emphasis on women and government, it seemed a fitting time for us to announce our plan to invite all future women voters to become associate, or non-voting, members of our organization."

## PANTHER SENTINEL

Panther Sentinel is affiliated with the Associated Collegiate Press and the California Newspaper Publishers Association. Published three times a month by the Associated Students of Hartnell College, Homestead Avenue, Salinas, California. Editorial Office, Room 9. Subscription rate \$1.75 per year. Five cents per copy.

## HARTNELL PRESENTS LOMAX

Students are reminded that Louis Lomax, well-known author, journalist, and commentator, will speak on the "Negro Revolt" at 8 p.m. Wednesday in the Hartnell College library. First on this year's Hartnell Presents Series, author Lomax received the \$2,000 Anisfield-Wolf Award in 1961 for his book, "The Reluctant African." The award is given annually by Mrs. Anisfield Wolf and the "Saturday Review" for books dealing "most creditably with social and group relations."

"The Reluctant African" was written in 14 days after his return from Africa, and gives a journalist's account of the situation from Cairo to Johannesburg.

The 42-year old journalist began his brilliant career as a teenager, and was editor for the paper at Paine College in Augusta, Ga.

## Lady Jurists Replace Dolly

Preparing for a stage play can be challenging enough with try-outs, casting, costuming, and scenery. But a late notice arriving, cancelling the performance of "The Matchmaker" makes it even more difficult.

The musical production of "Hello Dolly", which is currently playing on Broadway, is derived from the stage play, "The Matchmaker". Hence, all productions of "The Matchmaker" have been cancelled until the sequence of "Hello Dolly" is completed.

Upon receiving notice of this, Mr. Ulrici, drama director of Hartnell College, hurriedly began looking over a list of tentative plays and finally decided upon "Ladies of the Jury", written by Fred Ballard and requiring twelve men and ten women in the acting roles.

The play will be presented to the public on two consecutive weekends in November in the Little Theater.

## Commissioner of Cultural Activities

ALEX L. FABROS

I feel that I am qualified for this office because I have the ideas and the drive to make this office a success.

I will bring into this office one major goal. That the students of this school will be made aware of the many opportunities on campus to enrich their cultural background.

As for ideas, I will try to organize a first class film festival, a better film series and several talent shows.

## Comm. of Social Activities

VANCE DAVIS

It has always been to my interest to think of others and what I can do for them. My main interest is working with people and planning together activities to suit everyone, which is a most difficult task to partake in.

In my recent years I have been in jobs where I have worked with people in planning out new ideas. This is why I think I should be elected Com. of Social Activities, so that we can work together in the student body and not only have scholastic thoughts, but social enjoyment also.

## Paint It Yellow!

There seems to be a new fad going around Salinas. Paint everything YELLOW! Earlier this year the North Salinas fire engine was painted a bright yellow, and to keep pace, Hartnell must, by a new state law, paint the station wagon, owned by the student body, the traditional school bus yellow.

At last week's commission meeting, Miss Handley informed the commissioners of the new law which maintains that the car must be painted, have two flashing red lights installed, and since students will be riding in it, it must bear a sign stating it is a school bus.

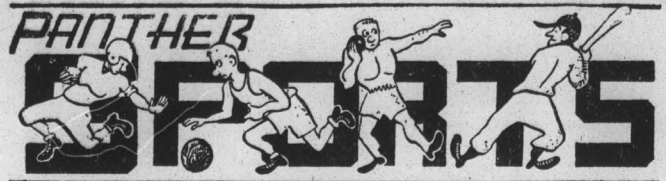

Also, any driver of the A.S.B. car must have a chauffeur's license.

The new specifications must be complied with this semester. According to Miss Handley we have the choice of either complying with the new regulations or selling the station wagon.

## Election Assembly

The election assembly for ASB candidates will be held Friday, September 25, in the men's gym. The elections will follow on the 25th and 29th. In case of any ties, there will be run-off elections on September 30, and October 1.

All students are urged to attend this assembly and to vote; after all, it is your government!

## Panther Gridders Tough -- Edge Out Hancock 21-20!

Revenge last year's opening 18-7 loss to Allan Hancock, the Panthers of Hartnell sharpened their claws and denosed a never-say-die Bulldog eleven-21-20 last Saturday night in both teams' opener. The game was almost evenly matched with the Panthers strong running attack

and the passing of the Bulldogs quarterback Dave Steaffens. Steaffens turned in a one man show, completing 16 of 27 passes for 200 of the Bulldogs 333 yards and two touchdowns. He collaborated with favorite target, Dick Zampese nine times for 115 yards.

The Panthers hit paydirt in the first quarter on a 39 yard run by Rick O'Neil. Defensive back Dan Blomquist set up the tally with a key interception.

Bulldogs hit the scoreboard in the second quarter on a fourth down, seven yards-to-go situation. Steaffens fired to Zampese for the six points. Bob Hollibaugh broke up the try for the PAT.

O'Neil scored again in the second quarter after eleven plays. The Bulldogs tallied again before halftime on a Steaffens pass to Art Fabela from the 16-yard line. Hartnell led 14-12 at the intermission.

## Score Winning Tally

In the second half, the Panthers pushed across their winning margin on O'Neil's third touchdown of the night from 14 yards out. The touchdown was set up by a key interception by Hollibaugh and Dan Lucas' 41 yard scamper. Armando Hernandez booted his third point-after-touchdown.

The never-say-die Bulldogs scored their final touchdown in the fourth period with 6:34 on the clock on a one yard plunge by driving halfback Joe Hamamoto. Steaffens passed to Zampese for the two point conversion. Coach Arvin Smith praised the running of O'Neil, the important kicking of Armando Hernandez, plus good blocking in the line by Dave Nichols, Lou Modena, Bill

Muscutt, Tony Leonardini, Dennis Miller and Lee Twisselman. In addition, Smith lauded the smooth play of center Bob Paoli and Lucas who went through the evening without a fumble. Roger Story also drew praise for his blocking.

## O'Neil Shines

All told, O'Neil carried the pigskin 16 times for 134 yards and three touchdowns. The Panthers gained 268 yards on the ground while having a mere 14 through the air lanes.

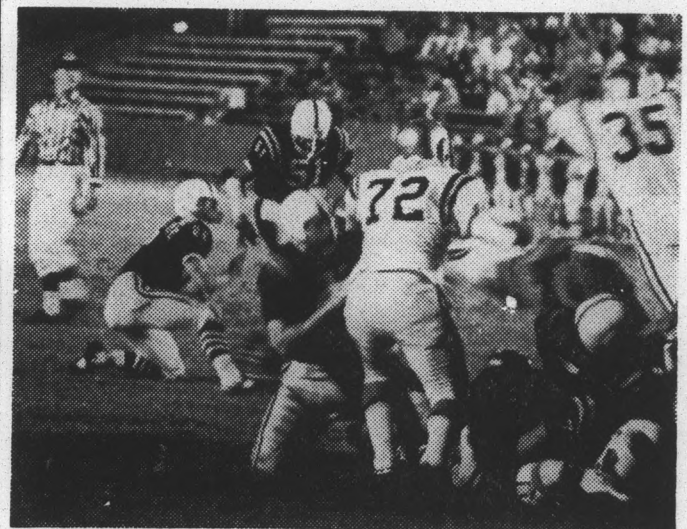

Tomorrow, Hartnell travels to Visalia in another revenge match, this time the College of the Sequoias Giants.

## Hart Spikesters Meet Ventura

Cross-country tracksters take to the oval tomorrow afternoon as the cross-country track season officially inks its way into the Hartnell sports scene. Panther thincladders trek to Ventura to match with the Pirates in the southern section.

Mentor Ed Adams, who has been very successful with Hartnell track teams in the past, welcomes back a handful of veterans from last year's Coast Conference cross-country team. Ed Powers, Mark Botelho, Tom Bailey, Ryan Abe, and Leonard Davies will be the veterans among newcomers Spencer Bailey, Bob Wasmundt, and several other unlisted athletes.

The team has been practicing for the past three weeks for tomorrow's meet.

Armando Hernandez (51) boots one of three points after touchdown from the grasp of Bob Hollibaugh (26) as rushers Tony Menillo (35) and Tony Betita (72) of Allan Hancock fail to block kick. (71) John Whittaker and unidentified Hartnell player carry out their blocking assignments. Hernandez' three pat's proved margin of victory as Panthers hung on for 21-20 victory over Bulldogs.
